Environmental Health Tour, Herbal Medicine/Natural Detoxification Workshop and More!

Join us for an Environmental Health Tour on foot, around the Roseland area! We will share and learn about the various toxins and chemicals (including household items) that surround us, and how we can take action toward eliminating and protecting ourselves from them.

10am: meet in the Roseland Village parking lot for the walking tour

11:30am: Detoxification Workshop at Bayer Farm

In addition, we will have practitioners offering their services to help us de-stress and work toward healing ourselves!
